Following the success of the first Yorkshire Lawyer Leadership Group we have decided to continue there is a short window of opportunity for partners of law firms to sign up for the next session which starts on 4th July

The Yorkshire Lawyer Leadership Group invites you to....

a series of six half day meetings to be held in Leeds, venue TBC.

Why?

Running a law firm is a lonely place for most senior partners and they have few people with whom they can discuss major issues such as strategy, succession planning, mergers, business development/ marketing, business funding. Peer groups provide a safe, confidential forum in which to discuss issues, decide upon action and feedback on actions taken from previous meetings.

Format?

The format will be facilitated peer group discussion on issues decided by the members. We shall also have short presentations from external speakers at three of the meetings covering relevant topics; initial thoughts on the topics include personal branding, teamwork, empowering and delegating, effective meetings, leading under pressure. Which of these appeal? Are there other topics you would like to be covered?

The programme starts in July 2011 and will take place every other month until May 2012.

The meetings will be facilitated by Denis Kaye of the Yorkshire Leadership Group who is an experienced advisor and mentor to law firms.

Lisa Lister of Progress Marketing, specialist marketing consultants to law firms will also provide input to the workshops based upon extensive experience of implementing business development plans.

How much?

The cost of the programme will be £600 (+VAT) - ie only £100 per meeting.

We hope you will join and that we can continue to enjoy the benefit of a confidential group of senior people sharing and learning from each other's good ideas and experience.

Please register by Friday 10th June.
